Families new to SHCS who are planning to request supplemental tuition assistance should forward their completed packets to Catholic Charities immediately. TUITION/FEE PAYMENT PLANS

There are two payment options from which to choose.

• **Option 1: Single Payment.**

You choose to pay all of the Single Yearly* Payment Tuition rate, plus the total Book Fee, Miscellaneous Fee, Technology Fee and Home & School fee up front before August 1, 2007. You may pay with a check directly to the school.

• **Option 2: Monthly Payment using FACTS Tuition Management Service**

You choose to pay the total of your Tuition, Book Fee, Miscellaneous Fee, Technology Fee and Home & School Fee over ten months through FACTS Tuition Management Service. FACTS Tuition Management Service will electronically deduct the payment from your bank account on the 5th or the 20th of the month beginning in August 2007. **A FACTS enrollment form will be sent to you after you return this packet to the school.** There is a processing fee of \$38.00 per family that will be due when your enrollment form is processed by FACTS. Do not send a check. The \$38 will be drafted from your account just as your monthly payments will be. You may reduce your monthly amount due through FACTS by making a down payment to the school before August 1, 2007.

YOUNG FOLKS CHARGES & CAFETERIA CHARGES

The school will bill Young Folks after school care charges and cafeteria charges monthly. Payment for these charges may be made directly to the school each month. If you are signing up for Young Folks Plan A, Plan B or Plan C, you may include your monthly charge in your FACTS monthly electronic bank draft. You may also include a set monthly amount in your electronic bank draft to be applied toward Cafeteria charges. **If you are interested in including your Young Folks Plan monthly rate or a set Cafeteria payment in your FACTS monthly payment plan, please contact the business office.**
