TUITION/FEE PAYMENT PLANS

There are two payment options from which to choose.

• **Option 1: Single Payment.**

You choose to pay all of the Single Yearly* Payment Tuition rate, plus the total Book Fee, Miscellaneous Fee, Technology Fee and Home & School fee up front before August 1, 2010. You may pay with a check directly to the school.

• **Option 2: Monthly Payment using FACTS Tuition Management Service**

You choose to pay the total of your Tuition, Book Fee, Miscellaneous Fee, Technology Fee and Home & School Fee over ten months by electronic bank draft. FACTS Tuition Management Service will electronically deduct the payment from your bank account each month beginning in August 2010. **A FACTS enrollment form will be sent to you after you return this packet to the school.** There is a processing fee of \$38.00 per family that will be due when your enrollment form is processed by FACTS. Do not send a check. The \$38 will be drafted from your account just as your monthly payments will be. You may reduce your monthly amount due through FACTS by making a down payment to the school before August 1, 2010.

YOUNG FOLKS AFTER SCHOOL CARE CHARGES

The school will bill Young Folks after school care charges each month. If you sign up for Young Folks Plan A, Plan B or Plan C, the monthly charge will be included in your FACTS monthly electronic bank draft.
