

# February 2010

Mid-winter greetings,

With 6 to 7 weeks of winter still ahead of us we can always hope and pray that we might see some more snow here in East Tennessee (or maybe not). On Wednesday, February 17th we will begin the season of Lent. In the Roman Catholic tradition and other Christian churches this period marks a time of sacrifice, self-denial, additional times of prayer and demonstrating more charitable works. Some people choose to give up things (favorite foods, drinks, activities, hobbies, etc. and then give the money they would have spent on these things to charity). Others may make a real effort toward some type of conversion in their life...certainly the harder of the two things mentioned. If you choose the conversion, then pray for the strength to attain it. Pray that God will use you to make the Gospel known to those around you. Be open and be ready to be changed by the power of God. Thanks to all who have supported efforts to help Haiti in their time of need and to those who contributed to the Victory Baskets for women with HIV.

During Lent our activities do not include events that might be considered solely fun in nature. Plan to attend the Stations of the Cross and the Fish Fries on Fridays during Lent. An open gym will follow the Fish Fries on some Fridays. Several chaperones are needed to provide supervision of the throngs that will attend.

Please check out all that is happening this month. Find this at either web site: [www.shcathedral.org](http://www.shcathedral.org) or [www.shcschool.org](http://www.shcschool.org)

God be with you.....
