

# March 2010

Pre-Spring Greetings,

As we begin the month of March we are half way through the season of Lent. Our parish should have just finished its Haiti Adoption Fair. Middle school students helped to raise enough money at the last dance to adopt 6 elementary school children from San Michel's Parish for the next year.

On the 5<sup>th</sup> of this month a group of middle school students will be going to Build a Bear to build a Prayer Bear for charity. This bear will hopefully lift the hearts of those in need and remind the recipients that we are praying for their well being. Thanks to Sydney and Grace for inspiring this idea.

There is still more work to do but since God has blessed us with the ability and the means, the least we can do is respond.

This has been a cold and snowy winter and it may not be over yet. I was told that the big snow storm of 1993 came on March 13<sup>th</sup>. Let's hope for an early Spring...unless you still want to see more of the white stuff.

Do your best to keep this season holy. Easter will be here on April 4<sup>th</sup>. Plan to attend Holy Week services at the Cathedral or your home parish.

Please check out all that is happening this month. Find this at either web site: [www.shcathedral.org](http://www.shcathedral.org) or [www.shcschool.org](http://www.shcschool.org)

God be with you.....
