

An Ode for Dance Chaperones

**A junior high dance
Is coming to Sacred Heart
We have some chaperones
But only a part**

**Of the 18 needed
To meet the radio
For the 180 plus
And others who'll show**

**Up for a good time
With their old friends and new
We just can't do it
Without people like you**

**September 17th
Just a few days away
from 7 till 10
You only need stay**

**So please consider
Answering this plea
