Quote of the month

"The environment you fashion out of your thoughts, your beliefs, your ideals, your philosophy is the only climate you will ever live in. The key is in not spending time, but in investing it."

--Stephen R. Covey *First Things First*

Men's Night Out: How are your investments??

How is your portfolio? How are the investments coming?

Wednesday December 3rd we will have our 3rd annual Men's Night Out to discuss how to improve our most important investments, ie our families.

Men's Night Out is an opportunity for food, fellowship and discussion for Sacred Heart Dad's. This year we will be gathering at Naples Restaurant in Bearden. We will begin at 6pm.

This year's highlight will be insights and offerings from Deacon Dave on how we can enhance our investments -- The spiritual investments we make in our families. Deacon Dave will share his insights and help us relate our family

life with our spiritual life. He will present ideas on how a family can recognize and remember God's presence in their midst, how a family can raise its awareness of the calling to be the domestic church, and how family life can parallel the sacraments of the Church.

Deacon Dave will offer some very practical ways on how we as leaders can bring spirituality into our homes and our families.

We look forward to seeing you at Naples. Cash Bar will begin at 6pm -Dinner at 630pm. Cost \$15 per person.

RSVP to Mick Connors at mick.connors@yahoo.com or 766-0370

MASH MISSION: *As men committed to raising children in an environment enriched with Catholic values, our mission is to support our children and Sacred Heart Cathedral School.*

Through our example, we will provide a foundation for our children that is based on faith, built on fellowship and driven by philanthropy. As we look to our Heavenly Father for guidance, our hope is that not only our children and their school will benefit from our example, but that we, the men of Sacred Heart, will recognize goodness in each of us as an integral part of our Catholic Community.

MASH still looking for a few good men!!

MASH continues to grow and expand. With growth comes more needs to see this organization succeed and prosper.

SPIRITUAL DIRECTOR: Would love someone's leadership in this area to further engage MASH in building our Catholic faith.

THANKS for considering these areas of need. Anything and everything you can offer would be greatly appreciated.
