

February 12, 2018

Dear parents,

Thank you for your interest in our summer Club Eagle program. During the summer the program is open to students of Sacred Heart as well as students of other schools. Our hours are 7:30am-6pm, Monday-Friday.

The cost of attendance covers all field trip costs. Please find attached, and on the [school website](#), the field trip schedule for this summer. Please note every staff member attends each field trip so there will be no staff members in the building once we leave campus.

Students may attend any portion of the day or in its entirety. Snacks will be served twice a day with a break for lunch. Students may purchase lunch by the day, for the summer, or bring lunch from home.

During the day we will have crafts, outdoor time, games and other fun activities. We also include some theme days that will include crafts and activities specific to that theme.

We hope you will consider Club Eagle as a summer option. We are excited to spend this summer with your child(ren) and creating lifelong memories.

Please contact me if you have any questions.
