SHCS MUSIC CLUB (Masks Required) | Mondays 3:15-4:15pm, Music Room (Rm 210)

Sacred Heart Music Club is open to all students in grades 4 and up who would like to engage in musical activities in a more specialized way, including opportunities to collaborate on tone chimes, drum circles, handbell arrangements, and a variety of other instrumental opportunities. With the health of our students as our top priority, Music Club members will learn to express themselves musically in a socially distanced and safe manner by finding methods of musical engagement beyond the traditional choir ensemble to avoid projecting our voices unnecessarily during this time of pandemic. With imaginative minds, a room full of opportunities, and creative teamwork, there will be something for everyone at Music Club this Fall! **Membership is free. Rehearsals are every Monday from 3:15-4:15pm in the SHCS Music Room (Room 210)*. FIRST REHEARSAL: Monday, August 10, 2020**

Please Email nkimbro@shcknox.org to enroll your child in Music Club

* If we transition to Virtual Learning, Music Club will resume rehearsals via weekly Video Conferences (same time and day of week)
