Parent Teacher Ministry Meeting
August 22, 2022

Current PTM Business

- Committees and Volunteers: Committees will take charge of each event. This doesn't mean that other volunteers can not help out with the event.
- Please attend the PTM meetings if you are able. Even if you may not be the head of or part of a committee, this is where you can find a way to get plugged in and help in various areas.
- Art and Library volunteers. This is not a committee but an opportunity for parents to be on campus helping the staff. Ms. Shaffer and Ms. Lay will send out sign ups for volunteers.
- HR Reps: Elizabeth Clark updated everyone. Middle school will not have individual homeroom reps but a group of parents for each grade level. More parents are needed for these groups. The HR training will be Friday, August 26th at 9 AM in the pavilion. Remember if you are going to be around students, any volunteer must be CMG trained.

Updates on upcoming events:

- Witches Brew: We have been asked to change the theme of the event. Most people seemed to think a Tailgate theme with fall mixed in worked as a theme. This event will have Middle School parents take the lead. As part of the event, there could be chili or dips for food. We will discuss this more in detail at the September meeting. Set up for the event is in question. The Cathedral Hall is reserved that day. Art room? Courtyard by the library?
- Fall Fest: Libby Orr talked about this event. It is a family event on o rSunday. A date that may work is October 30. The fall fest in 2019 had cake walk, picture station, hot dog bar, joy jars, and other activities.
- Campus decor committee: The front and back are decorated. Fall decor was put up in late September last year. Kelli has a spreadsheet from last year that states what was utilized to decorate.
- Sunshine Committee: Adrienne King is the lead of this committee. She provided information on what the committee does, which includes birthday treats for teachers and Iowa testing snacks for teachers (last year we asked parents to provide).
- Spirit Wear/Uniform Closet: Kristi Lively is the lead and asks for help.
- Lost and Found Committee: The lead will set up dates to go through the lost and found bins. They will try to return to the rightful owner.
- Auction: The date will be April 29, 2023. Lots of help from volunteers will be needed. A couple of suggestions for the theme are Great Gatsby or Elvis.

Miscellaneous business:

- Maybe provide a coffee truck some time during the school year for teachers.
- We have aprons with SHCS PTM on them for volunteers to wear at all events.
- Socials for parents will be scheduled once a quarter. Places for these could include Loco Burro or Abridged. Leah Bogatiuk will work on the schedule for these.

Next meeting is September 19 at 11:30 in the Art Room.
