Clay Camp

Come get "muddy" with us!

*opportunities for individuals with no experience, some experience, or substantial experience

Ages: Rising 3rd grade and up

This summer I am offering an opportunity for your child to experiment with clay and learn how to use it to create different vessels and decorative objects.

Students will learn clay terms and how to use clay tools. They will learn about texture and form and will get to hand build several different clay forms. They will also learn about what a kiln is and does and how to glaze a piece of pottery once it has been fired. Students will also have the opportunity to use a pottery wheel.

**There is a class limit of 15 students due to space and COVID restrictions

---

DATES, FEES, and LOCATION

Dates: June 14-16: 9:00-12:00 for creating pieces
Date TBD: 9:00-12:00 for glazing pieces
Finished pieces may be picked up in the art room
