

*Diocese of Knoxville Catholic Schools Preparing Scholars, Leaders, & Saints*

January 11, 2021

Dear Catholic School Communities:

Happy new year! Each new year brings the hope of new opportunities and the resolve to take definitive action steps to ensure established goals are achieved. As a school system, we also maintain a strong commitment to continually seek input so that we can make informed decisions about strategic goals to advance our schools. One important component in our internal quality assurance efforts is to obtain direct feedback from all of the stakeholders within our school communities. We are truly grateful for your response in previous efforts to collect stakeholder feedback. In order to once again collect the most current information, our schools will be conducting a series of surveys beginning January 11 through January 22, 2021. This information will be invaluable to our system of schools as we revise strategic plans and determine goals for the future. The first survey will focus on the climate and culture within each of the schools. I want to strongly encourage you to complete this survey. If you have children in more than one of our Catholic schools, please complete a survey for every school with enrolled students. Your input will be invaluable to our school leaders and will be the foundation for future advancement and quality improvement plans.

We are so grateful that you are a part of our Catholic schools! We look forward to hearing from you as we strive to continually improve our service to our students. May God bless you!

In Christ,

*Dr. Sedonna J. Prater*

Sedonna J. Prater, Ed.D.
