

PTM Meeting

September 19, 2022

Opening Prayer: Kelli led the prayer

Current PTM Business:

- November 18th: Pedal Java coming to provide a coffee for the teachers. They will be set up in the Cathedral Hall. We will need volunteers to either cover classes for teachers to get coffee or take orders from the teachers. The HR moms can ask the teachers what they prefer: to have someone go get it or to cover their class. Reminder all volunteers must be CMG certified.
- October 28th: Fall Fest and Trunk or Treat will be on this date. We are going to combine the two events. The Fall will start at 4:00 or 4:30. There will be bounce houses, joy jars, etc. The trunk or treat will start around 6:00.
- October 31st: Teacher's Tailgate (formerly known as the Witches Brew). Julie Patrick will be the lead of the committee. Food for this event will include Petro's chili and will ask that parents bring in dips or dessert or foods you would find at a tailgate. The decor will just be football. It will not include any specific teams. The location will be the Cathedral Hall (the Bible study ladies have said we can set up while they have the hall). Kelli Anderson will place the order for the chili. Do we need to have HR moms get a volunteer to cover classes so teachers can spend longer at luncheon?
- Class Party dates (this is just an FYI!) November 1: All Saints Day, December 16: Advent party, February 14: Valentines Day party, May 23rd: Field Day and party day. PK-4 will have field day in the morning and party in the afternoon. 5-7 will have a party in the morning and field day in the afternoon.
- Lost and Found committee: Thanks Maria for everything you have done so far with this! It is being taken care of weekly!
- Art and Library volunteers: Anna Fessler has been working on the sign up genius and would like someone to look at it before sending out. If you are volunteering in the library, it is not during class times. The book fair will have a separate sign up.
- Sunshine committee: Adrienne King has said instead of the bundt cakes, this year the committee will get Ham-n-Goody cookies and individually bag them.
- Decor committee: Betsy Simonis said that the committee will meet Wednesday at 9:45 to come up with a plan for fall. The hope is to have fall decor done by October 1.

Thank you to all who attended! See you at the next meeting!
